

Children's Fair Carries Clothing For Youngsters

One of the most complete selections of children's clothes in Southern California can be found at Children's Fair in the South Bay Center.

Owned and managed by Jack Antebi, the store carries all name brands of clothing for youngsters, from infants to size 14.

In addition, there is also a complete assortment of accessories for babies including high chairs, play pens, bassinets and other furnishings. In the infants' department, shoppers are sure to find the perfect baby shower gift. Everything the infant will need in the way of clothing and furnishings is on display. The store also gift wraps purchases in special baby gift paper.

The latest styles in children's clothes, from everyday wear to party fare, can be found at Children's Fair.

BIG RECORD SELECTION AVAILABLE

Largest record selection in the Bay area can be found at Ranch Music in the South Bay Center.

Allan Marcus, owner, stressed the variety of records available, including jazz, listening music, classics and popular recordings.

Weekly specials will be offered as a bonus attraction for the store which is almost self-service. A great many of the records are displayed in open cases.

Something new in this store is the demonstration records. All new records sold are sealed. An extra record for demonstration purposes is available for listening in the hi-fi booths.

According to Marcus, the firm also operates a needle clinic, advising which needles to use and testing others.

A complete line of record accessories is featured, Marcus said. He also owns stores in Westwood and the Crenshaw district.

Accessories Add Finish to Ensembles

Chic Accessories is heralding the opening of their seventh store—this one in the new, modern South Bay Center.

Dave and Tess Rose, manager-owners, invite all area residents to stop in and get acquainted with the personnel and to look over the merchandise.

The perfect accessories for that new fall wardrobe can be found at Chic.

Smart and stylish handbags are displayed bearing the brand names of such favorites as American Modes, Gilli, Margolin, Dorset, Gaybrand and Lewis Purse.

Jewelry, to add the finishing touches to any costume, is by Trafair, Monet, Eisenberg, Coro and Renoir.

Chic Accessories stores also can be found in Lakewood, Panorama City, San Diego, Long Beach, Los Angeles, and Riverside Plaza.

Shoe Repair Store Opens

A new shoe repair service is now open in the South Bay Center for all shoe repair needs.

"We are happy that we were chosen for the shoe repair service in this location," declared Harold Meyer, store supervisor.

The store carries a complete line of shoe dressings, laces, polishes and buffers.

Shoe Repair is situated in the Center's service area, next to the Hair Stylists, cleaners and barber shop in order to facilitate customers coming in who wish service work. The store is immediately adjacent to a large parking area.

BUMPER CROPS
Sockeye salmon appear in unusually great numbers every four years and canneries along the north Pacific coast make special preparations to handle the anticipated "bumper" crops.
